CERTIFICATE OF CORRECTION TRANSMITTAL LETTER

Mail Stop Certificate of Correction Branch Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

A Certificate of Correction under 35 U.S.C. 254 is hereby requested to correct Patent Office printing errors in the above-identified patent. Enclosed herewith is a proposed Certificate of Correction (Form No. PTO-1050) for consideration. Also enclosed is documentation in support of this request.

It is requested that the Certificate of Correction be completed and mailed at an early date to the undersigned attorney of record. The proposed corrections are obvious ones and do not in any way change the sense of the application.

We understand that a check is not required since the errors were on the part of the Patent and Trademark Office in printing the patent.

> Respectfully submitted. PEARNE & GORDON LLP

1801 East 9th Street. Suite 1200 Cleveland, OH 44114 (216) 579-1700

Date: July 2, 2007

U.S. Patent and Trademark Office; U.S. DEPARTMENT OF COMMERCE
Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

APPLICATION NO.: 10/612,099

ISSUE DATE : November 7, 2006

INVENTOR(S) : Herve et al.

It is certified that an error appears or errors appear in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

In Column 3, starting at Line 55 and ending at Line 59, please delete the formula:

and insert therefor:

$$\Gamma_{ij} = \sum_{k=1}^{N-1} \frac{\partial \hat{M}_i}{\partial mes_k} \bullet \frac{\partial \hat{M}_j}{\partial mes_k} \bullet \frac{1}{N_k} -$$

MAILING ADDRESS OF SENDER (Please do not use customer number below):

Jeffrey J. Sopko

Pearne & Gordon LLP, 1801 East 9th St., Suite 1200, Cleveland, OH 44114-3108

This collection of information is required by 17 CPR 1322_1323, and 1302. The information is required to detain or plast is plened by the public which is to fine entry by the USPT to proceed an expectation. Condesterable is governed by the USP 10.5. C. 22 and 3.7. OR 14.4. This validation of the complete, including gathering, preparing, and submitting the completed application from to the USPTO. Then will very depending upon the individual case. Any commission on the amount of time you require to complete this form and/or supposed is for reducing this burden, about do seen to the Chief Information Officer. The Complete is completed in the mander supposed is for reducing the subtrest, about does not to the Chief Information Officer. The Complete is the Chief Information Officer. Privacy Act Statement

The Privacy Act of 1974 (P.L. 93-579) requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandomment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

- The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
- A record from this system of records may be disclosed, as a routine use, in the course of
 presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to
 opposing counsel in the course of settlement neoptiations.
- A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
- 4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
- A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
- A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
- 7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (i.e., GSA or Commerce) directive. Such disclosure shall not be used to make determinations about Individuals.
- 8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 GFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
- A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.

1).

$$(a1 + a2 + ... + a + N + 1 = 1)$$
 $(a1 + a2 + ... + aN-1 = 1)$

Please replace the first equation on page 5 which is as follows:

$$\Gamma_{y} = \sum_{k=1}^{N-1} \frac{\partial M?_{1}}{\partial mes_{k}} \frac{\partial M?_{f}}{\partial mes_{k}} \frac{1}{N_{f}}$$

with the following replacement equation:

$$\Gamma_{ij} = \sum_{k=1}^{N-1} \frac{\partial \hat{M}_i}{\partial mes_k} \bullet \frac{\partial \hat{M}_j}{\partial mes_k} \bullet \frac{1}{N_k}$$

Please replace the paragraph following the above equation with:

The variance on the linear combination yielding final $\#? \hat{\underline{M}} \ \ \text{is expressed by the formula:}$

$$f = (a_1, \ldots, a_{N-1}) \cdot \Gamma \cdot {}^{t}(a_1, \ldots, a_{N-1});$$

this quantity f attains an optimal value when its derivative according to all of the variables is null, that is, the noise's influence is minimized. i.e..

$$\begin{cases} \frac{\partial f}{\partial a_1} = 0\\ \frac{\partial f}{\partial a_2} = 0\\ \cdots\\ \frac{\partial f}{\partial a_{N-1}} = 0 \end{cases}$$
